City Municipal Office

No A/ 2189/36 *Bangalore, dated* 3rd March 1936

4089/2

From

M SESHADRI ESQ MA,
Municipal Commissioner
Bangalore City

CHIEF SECRETARY 6 MAR 1936

To

A V Ramanathan, Esq , B A ,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore
Bangalore

Sir

I have the honour to state that a scheme for underground drainage for Bangalore City was prepared by the City Improvement Division in 1916 and the cost was estimated at about Rs 40 lakhs, but it was not taken up for execution till 3 years ago for want of funds A beginning was made in 1932 when the main sewer - from the Septic tank in Link Road to the Jakkarayanakere outfalls costing Rs 41,000/- was started for the disposal of the sewage of Malleswarm and Seshadripuram extensions In 1933, the Sub main sewers of Balepet and Manavarthapet area were taken up at a cost of nearly Rs 74,000/- and on its completion it was found that - the City Main Sewer had to be laid before these submains could be used As this work costing Rs 1,84,705/- could not be met out of normal revenues, a loan of two lakhs was obtained from - Government for the purpose and the work was put on hand last - year This work is in progress now In addition, underground sewers were laid in unprovided portions of Malleswarm and Basavangudi extensions and in the newly formed extensions near central Jail, Sivananda Theatre and Ramakrishnapuram, as detailed in the margin, to link up the sewer disposal main lines in those localities

Again, this year, one laksh of rupees has been alloted out of Normal Revenues for providing underground drainage for the parts of the City lying between the Dharmambudhi tank and

and Sultanpet The work has been put on hand and is expected to be completed by the end of the official year By the end of this year, the Municipality will have spent a sum of 4 - lakhs and 64 thousand rupees for underground drainage Out of this, a sum of Rs 2 lakhs has been borrowed from Government and the balance has been found out of the normal Revenues of this Municipality Towards the cost of the drainage - scheme executed so far, the only contribution received from Government is the sum - of Rs 15 thousands sanctioned for - this year

Underground Major Drainage works under taken for the past 4 years

1	Balepet sewers Rs	Rs	74,000/-
2	City main Sewer	Rs	1,84,705/-
3	Arlepet and Akkipet areas		1,00,680/-
4	Malleswarm area including the main sewer laid from the Link road to Jakkarayanakere outfalls		56,237/-
5	Basavangudi and Gavipuram areas		13,750/-
6	Thippasetty mutt, Sivananda and Ramakrishnapuram extensions		23,278/-
7	Sreeramapuram Labour Colony.		5,580/-
8	North of Silver Juhilee Park		5, 360/-
9	Koracharapalya		1,040/-
	Grand total Rs		4,64,130/-

The Municipality is contemplating the extention of - the scheme next - year This will be impossible unless - Government ~~make a generous grant~~ are otherwise quite I request the favour of your moving Government to allot a grant of at least Rs two lakhs for the ensuing year for the extension of the underground drainage in the City

I have the honour to be,
Sir,
Your most obedient servant
